Two rosters reconciled. This master roster merges the nine-person Friends & Family team with the operating crew named in the business plan (Posey, Jess) into one source of truth.

Open roles. The business plan previously listed *Head of Artist Relations* and *Head of Marketing & Growth* as “to be announced.” Those functions are now covered by **Sess45** (Artist Relations) and **Jessica Kaun** (Chief Vibe Officer). Confirm whether these remain open senior hires or are considered filled.

Pending photos: headshots for Posey and Jess. Monogram placeholders are shown above.
